## NORMAL GETS ALL BUT \$1,000 ASKED

LEGISLATIVE COMMITTEE WOULD GIVE \$169,520 FOR TWO YEARS.

## CUT SUM ASKED FOR IMPROVING CAMPUS

Appropriation Bodies Take Two Chops at Improvement Plans—Now Must Pass Both Branches.

The State Normal school will probably get all but \$1,000 sought for the operation and improvement of the state school here for the next two years, or a total of \$169,520, as a result of the decision of the appropriation committee of both the senate and house of the state legislature last night, following a conference with regent members and President Ira Richardson. The only place where the appropriation might be further reduced is when the matter comes up for final passage in the house and senate.

This is considered one of the best indications here that the Normal school of Maryville is now fully recognized throughout the state and that its stated needs are fully warranted. The fact that Senator Anderson Craig of Maryville also is chairman of the junketing committee which inspected the state institutions recently and likewise of the senate appropriations committee, also helped the Normal materially in getting almost through with almost the full budget.

### Cut Campus Fund.

The only auxiliary fund that suffered was the campus improvement, which had \$500 chopped off by the junketing committee itself some time ago, and now gets a further reduction of \$1,000 at the hands of the senate committee. An effort was made by the two committees last night, Senator Craig reported, to chop the salary fund of \$118,820 somewhat, but on persistent argument by him, they agreed to let it stand as recommended by the regents.

The Normal received but \$118,041.61 two years ago from the state for the biennial period of 1913-1914, while the salary bill alone for the Normal for 1915-1916 will be more than that.

The action of the committee of the legislature followed a conference which the senate committee had at 7:30 o'clock last night in Jefferson City with President Richardson, W. A. Blagg, president of the board of regents, and W. G. Hine of Savannah, a member of that board. They returned home this afternoon.

### Expect Amount to Stand.

After this hearing, the committee went into executive session, where the \$1,000 cut in the campus improvement fund was made, and the discussion relative to the salary fund cut was held. The senate appropriation committee then met with the appropriations committee of the house.

At this joint session further discussion failed to bring about any change and the budget went through as sought by the Normal board of regents and President Richardson and the junketing committee with the \$1,000 reduction in the campus improvement fund. In discussing the matter this afternoon, Mr. Blagg said he had little fear that the budget would be reduced any now, unless, when the bill was brought up for passage in the house soon, it might be found necessary to reduce the biennial funds for the various state institutions that the total state appropriation may be kept within the amount available for that purpose.

### Water System: Seems Sure.

"Otherwise I believe the house and senate, too, will concur in the report of the two appropriation committees," said Mr. Blagg. "The fund of \$5,000 for establishing a deep well system at the Normal, so as to safeguard it against a lack of water in the summer and having to depend on the municipal system here, was reported on favorably throughout."

"The campus improvement plans were in line with the recommendations made by H. F. Major, landscape artist of the state university, recently. While it is regretted that the policy could not be followed in full, the \$1,000 yet available in this fund will be used to the best advantage possible."

The budget as finally adopted by the two committees is divided as follows:

Salaries .....	\$118,820
Current supplies and equipment .....	14,000
Library .....	2,000
Paving deficiency (approximately) .....	2,000
Campus improvement .....	1,500
Greenhouse .....	2,500
Farm equipment (residence, barns, stock, utensils and outbuildings) .....	10,000
Direct radiation (engineer's estimate) .....	14,000
Deep well and fittings .....	5,000
Total .....	\$169,520

## NORMAL EXPECTS HARD GAME

Game With Tarkio Tomorrow Night Will Be Hardest, Belief—Leave in the Morning.

The Normal basketball squad will leave Maryville tomorrow morning for Tarkio, where it will play Tarkio college tomorrow night.

Coach Walter Hanson's men have been doing some strenuous work during the past week in preparation for this game, and the contest promises to be one of the best basketball struggles put on in this part of the state for some time.

As a large number of Maryville rooters are expected to attend the game, Coach Hanson telephoned to the Walnut Inn for reservations for the Maryville team today.

In anticipation of one of the hardest games of the season's schedule, Mr. Hanson is taking eight players on the trip. The following men will go: Scarlett, Ham, Vandersloot, Scott, Woodward, Leech, McClintock and Quinn.

Mr. Hanson attempted to negotiate a game for tomorrow night with Missouri university, either at Maryville or at Columbia, in place of the game Oklahoma, but received word last night which Missouri was to have played with from Coach Brewer that it would be impossible to arrange the game.

This means that the Normal will year. In the event that the game had year. In the event that the game had year. In the event that the game had year. In the event that the game had year.

## CALL OFF TARKIO GAME

High School Team May Play Gallatin or King City Here Tomorrow Night.

The basketball game which the Maryville high school was to play at the Normal gymnasium here Saturday night, with the Tarkio high school team, has been indefinitely postponed on account of being unable to secure the use of the Normal gymnasium on a Saturday night. The effort to get the game set ahead to tomorrow night also failed.

A game probably will be played here tomorrow night with either the basketball team of Gallatin or King City, however, according to H. B. Polson, athletic director of the high school. Both are said to be good teams and able to give the local team a hot contest.

## JOHNSON NEAL, 70, DIES.

Funeral Services to Be Held at Neal Farm—Burial at White Oak.

Johnson Neal, 70, a resident of Nodaway county for the past forty years, died at 6 o'clock this morning at his home, east of Pickering.

The funeral services will be held at 1 o'clock Saturday afternoon at the family home, conducted by the Rev. E. W. Killion, pastor of the Christian church of Pickering. The interment will be made in the White Oak cemetery.

Mr. Neal was born in Ohio and came with his family to Nodaway county in 1873. He is survived by a wife and ten children. The children are Marion Neal of Texas, Mrs. Lizzie Hanna of Pickering, Mrs. Mary Wyson of Clinton, George Neal of Cedar Rapids, Mrs. Edna Collins of Maryville, J. W. Neal and Miss Edith Neal of Pickering, Mrs. Charles Hinton of Almyra, Wash.; Mrs. Dollie Baum and Mrs. George Smith of Barnard.

### Expect Good Crops.

All the signs are favorable for big yields of field and orchards in Missouri this year. A bumper wheat crop is predicted and the horticulturists say that apple and strawberry prospects were never brighter.

## LAUDS COMPANY F CONTINUE REVIVAL

LOCAL MILITIAMEN PASS ANNUAL U. S. ARMY INSPECTION. SUCCESS OF BAPTIST CAMPAIGN PROMPTS FURTHER EFFORTS.

## MAY CHANGE ARMORY DENOUNCES HYPOCRITE

National Guard Heads Seek Better and Larger Quarters Here—"Weed Out Undesirables," Says Staff Head. Evangelist A. E. Burch Says Church Members Should Watch Over New Converts.

"Weed out the undesirable as fast as possible and Maryville will have one of the best National Guard companies in the Fourth Regiment," said Colonel John D. McNeeley of St. Joseph, colonel of this regiment and Major Joseph L. Hanley of Jefferson City, inspector-general of the National Guards of Missouri, following the annual inspection of Company F, last night. "The company is under handicap through improper quarters and past neglect, but it can be brought out."

The inspection was made by Captain Charles M. Gordon of the U. S. Army. About fifty members of the local militia reported for review last night. They were in charge of First Lieutenant Loren DeMotte and Second Lieutenant Arch Ledgerwood.

The company, as a unit, ranks as well as the three previously inspected in the Fourth Regiment, according to the inspectors. They were at St. Joseph, Tarkio and Slater. The company at Bethany is to be reviewed tonight.

### Praise Company Heads.

While the three inspectors were agreed that the training of the National Guard men here did not show up as well as it could by considerable, Colonel McNeeley said it was much better than six months ago when he became head regimental officer. He also warmly praised Lieutenants DeMotte and Ledgerwood for their efforts in trying to maintain a creditable company here, despite the handicaps under which it has labored.

"The big effort from now on in Company F, should be in bringing the standard of the company up, by discharging the undesirable members as fast as their terms expire and making an earnest campaign to bring in the better class of young men of Maryville," said Colonel McNeeley, this morning.

### Seek Better Quarters.

One other move that was started yesterday by the visiting National Guard heads in cooperation with the local militia officers, was to endeavor to secure better quarters for the company than it now has over the Tribune office.

A location reported on quite favorably by the officers, was the second floor of the brick building occupied by Wadley Brothers' harness and buggy shop on the east side of the square. This hall would give a drilling space of 85 by 45 feet as at present arranged while a mere room now is available by the company.

The officers have agreed to take the hall at \$35 a month if the ceiling is raised, several of the center pillars removed and equipment and storage rooms installed at the rear of the hall. This offer is being considered by the management, and it is believed that Company F soon can move into better quarters.

The installation of a rifle range near Maryville also is sought though no definite action in this regard will be taken at once, it was announced. Some new equipment for the company will be forwarded here immediately, however.

### WOODMEN AND MEDICS FEAST.

Two Banquets Will Be Held Tonight—Expect 200 Fraternalsists.

Two banquets, with speaking and music to follow, will be held in Maryville tonight. One, that of the joint annual banquet of the Woodmen of the World and Woodmen Circle to be held in the W. O. W. hall, will probably be attended by 200 or more men and women. The other, that of the Nodaway County Medical society, to be held in the Elks club, will probably be attended by twenty-five or more from over the county.

A lengthy program of music and speaking has been prepared by the Woodmen, to follow the banquet. The medical men also will have speaking as well as the regular monthly business session.

### Spends Much on Life Saving.

The business of heroism is expensive, but it pays. During the fiscal year of 1914 the government spent upward of \$2,000,000 for the maintenance of its life-saving service. As against this expenditure its annual report shows a total of 1,937 vessels aided, \$18,783,200 worth of property saved and 4,762 persons rescued.

## MAY CHANGE ARMORY DENOUNCES HYPOCRITE

National Guard Heads Seek Better and Larger Quarters Here—"Weed Out Undesirables," Says Staff Head. Evangelist A. E. Burch Says Church Members Should Watch Over New Converts.

"The trifling, no account lives some church members live keeps many people out of the church."

"A hypocrite in the church is the worst thing in the world."

"God expects you and me to have a compelling or restraining power over people."

"An excuse is not a reason for doing God's will."

"I believe that God's people hold the balance of power the world around tonight."

"Every man that lives an unclean life will have to pay the awful penalty."

"What the world wants is real men that are in earnest."

It was decided last night to continue the revival services at the First Baptist church until Sunday night, instead of concluding them last night, as first planned. This action was largely taken because of the expressed will of the audience, and through the fact that sixteen more conversions were professed last night. This brings the total now to 321.

The Rev. A. E. Burch, conducting the religious campaign, was to have begun union meetings at Mexico this week, but on account of continuing the services here will not begin there until next week. Twenty-five persons were baptized last night prior to the services.

The special music service last night consisted of a vocal solo by Mrs. F. P. Robinson, "I Want to Go There," and "The Latch of Father's Door," by the Burch family.

### Take Care of Young Folk.

Previous to the sermon, Evangelist Burch talked to the church members in particular. He said in part:

"It's up to you now to do your part, to take care of these young converts, babes in Christ. The trifling, no account lives some of us church members live today is what keeps so many people out of the church."

"An old hypocrite in the church is the worst thing in the world. It's simply up to the church to take care of the young people's problem, to give them entertainment and care."

Mr. Burch's topic was, "The Compelling Power of God's Service." His text, "And the Lord said unto the servants, go out into the highways and hedges and compel them to come in that my house may be filled."

### Ingratitude Worst Sin.

"The word compel means a constraining power," explained Mr. Burch. "Sometimes we do things because we are compelled to do them; because of the situation we are in, and I believe that is what the word compel means here. I believe God expects you and me to have a compelling or constraining power over people."

"Often times men make excuses. An excuse is not a reason for not doing God's will. Ingratitude is the deepest dyed of all sins. I believe God's people ought to take stock of themselves and see if they are grateful enough to God for the things he has done for them. I believe it would change our whole lives if we were just grateful enough to God for His blessings."

### Is Mission of Authority.

"And then, there is the need of servants in the Lord's house. Servants to go out into the highways and hedges and bring men in. It is the greatest need of the day. Servants to compel men to come in."

"Ours is a mission of authority. You and I ought to feel that our Father is running the things of our hearts. He has His hand upon the throttle. I believe that God's people hold the balance of power the world around tonight. The things that do exist in our land exist because God's people allow them. We are ambassadors here, not to do our own will, but to do God's will."

"There is nothing so intoxicating as our power. We all have the authority to preach the gospel of Christ if we only knew it. I believe that any man whose heart is on fire for Christ can get a crowd to listen to the story of the Christ. It is the power of the gospel."

"How can we compel men? By a spotless life. Pure and undefiled religion before God is to keep ourselves unspotted from the world. It is an unspotted life that counts. Every man that lives an unclean life and stays away from Christ will have to pay the awful penalty not only for his own sake, but for the sake of those he might have won for Christ."

"And then we can compel by our earnestness. God bless a man that is in earnest and God pity the man that is not. What the world wants from the millionaire down to the pauper tonight is real men that are in earnest. Earnestness is the most powerful thing in this world. The man that is not on fire with the earnestness of God can't compel men to come into the King's household."

## BANGS INDEED HUMOROUS

Lyceum Lecturer Makes "Hit" With Audience With "Salubrities I Have Met."

John Kendrick Bangs really is humorous, only in a different way from most of the so-called comedy lecturers. He puts plenty of meat between, so that one does not leave with an empty mental feeling, despite the fact that a smile plays topsy-turvy over his facial features. A full house turned out last night to hear this celebrated humorist, lecturer and author give his talk on "Salubrities I Have Met," at the First Christian church. He was brought here by the Maryville Lyceum association.

This genial Bangs didn't mix "salubrities" with celebrities, either, although a couple of his obituaries were of men who are really great. But happiness, sense of humor and an always pleasant face, were easily the mark which distinguishes a "salubrity" from a "celebrity," Bangs proved.

One of Missouri's products came in for notice, the final one, but the best, is seemed. He was Samuel Clemens, who most of us know as Mark Twain. Then Andrew Carnegie, Winston Churchill, Richard Harding Davis, Robert Grant and Livingston, the explorer, also came in for due commendation for being "salubrious." A few "salubrities" were brought out in the limelight as well.

The closing number of the lyceum course will be given February 23, when Dr. Russell H. Conwell will lecture at the First Christian church.

## YOUNG WOMAN INJURED.

Mrs. Wynn of Graham Hurt by Fall—In Critical Condition.

Mrs. Floyd Wynn of Graham is critically ill with concussion of the brain, caused from injuries received in a fall Tuesday night. Mrs. Wynn was visiting at the home of a neighbor. As she started home she slipped and fell on the porch steps, striking the back of her head. She was unconscious for several hours and her condition this afternoon is critical.

Mrs. Wynn is a daughter of Mrs. E. Dawson, living southeast of Skidmore.

## Quiltman Couple to Wed.

## To Hold Prayer Meeting.

The Christian Endeavor society of the First Christian church will hold a cottage prayer meeting tomorrow evening at the home of Miss Maybird Parrish, on West Third street, over the Alderman-Yehle store.

## Market Live Stock.

The following Nodaway county farmers and stockmen marketed live stock in St. Joseph yesterday: J. M. Lockhart, E. Teuscher, C. C. Young, S. B. Massie, C. A. McArthur, Sam Corrough, Evans Bros., H. C. Taylor, W. H. Scane, Joe Holker, Boyer & Co., C. C. Lawrence, E. L. Fisher, G. Hardson, Will N. Wray and Ed Gallagher.

## Sells Duroc Jersey Hogs.

The public auction of fifty-eight pure bred Duroc-Jersey hogs is being held today at Gray's pavilion this afternoon by A. B. Dowden and Dale Partridge. Every hog is cholera immune, it is said.

## Dakota Visitors Here.

Mr. and Mrs. Henry Willis of Lansford, N. D., arrived in the city yesterday to spend a couple of weeks visiting Mrs. Willis' father, Henry Campbell, living southeast of the city.

A bread famine in the United States is almost an economic impossibility, even though increased exports of wheat to Europe seem to threaten our domestic supply. This is the declaration of Dr. L. M. Estabrook, statistician of the department of agriculture.

War Committee in Saxony Says Own Neutrality is Hypocritical—Russians Announce Successes.

Amsterdam, via London, Feb. 4.—The war committee of Zwickau, Saxony, has passed a resolution to decline the Christmas gifts of the American people on the ground that American neutrality in the war is merely hypocritical, since supplies of arms and ammunition are being sent to Germany's enemies. This information is conveyed by the Berlin Lokal Anzeiger.

## WOULD INVADE ENGLAND

Germans Plan Blockade of France and Engage of British Navy, Rumored.

Berlin, Feb. 4.—The Germans plan a blockade of France, and all shipping operations in the North sea, followed by an engagement with the British navy off the west coast of Belgium soon, preparatory to an attempted invasion of England, according to the Morgan Post, published in Berlin.

A similar belief prevails in England from a dispatch received from Copenhagen today. In anticipation of this activities have begun to guard against such a movement by the Teutonic forces.

### BEST LAXATIVE FOR BOWELS—"CASCARETS"

They Clean Liver; Sweeten Stomach;  
End Sick Headache, Bad Breath,  
Indigestion, Constipation.

Get a 10-cent box.

Are you keeping your bowels, liver, and stomach clean, pure and fresh with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills, castor oil or purgative waters?

Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, biliousness, coated tongue, indigestion, sour stomach or constipated bowels. Cascarets belong in every household. Children just love to take them.

It promptly opens your clogged up nostrils and air passages of the head; stops nasty discharge or nose running; relieves the headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling. Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute.

### APPROVES 169 MILES OF ROAD

Nodaway Will Receive \$2,538.72 Annually for Support of Highways, State Engineer Reports.

County Highway Engineer John H. Clary received from State Highway Engineer Buffum the approved mileage report of this county. It shows 169½ miles of state highways here and a total sum of \$211.56 to be apportioned every month or \$2,538.72 annually from the state fund. No money has been received for these roads since last June, but it is expected that since the roads are approved, that payment will be made soon.

According to the mileage report, the Maryville-Savannah county seat highway road extends 19 miles in this county. The Maryville-Albany county seat highway extends over 24 miles in this county, nine miles being included from Gallagher corner via Concepcion Junction to the county line, east of Clyde.

The Maryville-Grant City highway has a distance of 21 miles in this county. The distance of the Maryville-Rockport road is 9½ miles, as part of this road is used for the Clarinda, Ia., highway.

The highway having the greatest distance is the road to Oregon. It covers 47½ miles in this county. The highway goes west of Maryville four miles then south, then west, then south, then west again to Skidmore, then to Maitland, then to Oregon. From this highway, there is a tap line from the O'Grady corner to Quitman and also a tap line from the three mile corner to Graham, the distance to Quitman being nine miles and that to Graham being 15½ miles.

The state road to Bedford covers 22½ miles here and the road to Clarinda 25 miles.

The aggregate expenditure for public road construction in the United States for 1914 is estimated at \$285,000,000, or more than \$160 for every mile of public highway in the country.

### For Accurate Crop Statistics

A measure is sought by the state board of agriculture to stop guesswork about Missouri's agricultural activities in a bill presented to the state legislature. It provides that the actual knowledge of how many acres of wheat and other valuable statistics shall be gathered by the assessors in their regular rounds, just as the same information has been gathered in Kansas, to the end that the Sunflower state has received world wide advertising from the distribution of this information.

### Oppose Better Dragging Pay.

A bill increasing the amount the state may pay for dragging and improving inter-county seat roads from \$15 to \$25 a mile was refused engrossment when brought up in the state legislature yesterday. There seemed to be considerable opposition to improving county seat highways at the expense of pikes less fortunately situated.

### NEED NOT FEAR, SAYS LUCKEY.

State Veterinarian Declares Cattle  
Madness in Kansas Should Not  
Occasion Alarm.

Just because the government has placed a quarantine on four Kansas counties, on account of the supposed presence of the dreaded foot and mouth disease among some cattle, is no reason why Missourians should be alarmed, State Veterinarian Dr. D. F. Luckey says. In this regard Dr. Luckey says:

"We are leaving nothing within our power undone to protect Missouri from an outbreak of foot and mouth disease."

"I want to advise Missouri farmers to remain cool. There is no excuse for a panicky feeling. No farmer should rush his stock to market."

"I feel confident that there will be no outbreak of foot and mouth disease in Missouri. And if it does come we will be able to control it. I therefore advise every farmer to hold his stock and not sell it in uncertain markets."

### Fern Shows "Crucible."

Marguerite Clark, that famous motion picture actress, is seen in the leading role of "Crucible," a six-reel Paramount feature, which was shown at the Fern theater last night and will again be depicted tonight. Not only is the work of Miss Clark good, but she has support equally as clever. Seldom are such clear pictures shown here, either.

### MEANS MUCH TO LOCAL SHOW.

Father of State Aid Poultry Bill Explains Needs of Such Appropriation.

That the bill recently introduced in the house of the state legislature providing for the state to appropriate \$100 annually to all county poultry associations in Missouri would mean much towards promoting a greater industry in this line is explained by its father, Representative Joseph A. Myers of Howell county. That it would be of great benefit to the Northwest Missouri Poultry association of Maryville also is declared by local officials of that organization.

Representative Myers' bill provides that the state aid should be made through the State Poultry association and that the money should be handled through this association to the county associations. Only the authorized, properly organized associations, holding shows under the rules of the state association, would be entitled to share in the premium money. The purpose is to promote the poultry raising industry in Missouri.

"There are at present about 53 county poultry associations in Missouri," said Mr. Myers in explaining his measure. "These associations hold annual shows and co-operate with the state association in trying to build up the industry in Missouri. This industry is growing to enormous proportions and Missouri is today one of the leading, if not the leading, poultry states in the Union. The state gives aid to other agricultural developments but the only aid given poultry is through the experimental farm at Mountain Grove. The excellent work at this station warrants the state going farther in promotion work so as to reach into every county where the industry is locally organized."

"The chief trouble with the county shows is the inability to get premiums to stimulate poultry raisers to compete. It is an expensive proposition to put pens of poultry into a county or state show and unless there is a chance to win premiums which will meet that expense a breeder cannot participate."

"This state aid would be only nominal, but it would stimulate the county associations in their work and that work certainly is a good work for this state."

## SOCIETY AND CLUBLAND

KATE SCHEMCK  
Phones—Office 42 Home 103

A newspaper's essential excuse for existence is to publish the news. Also the most essential news in the judgment of the society reporter is the "pink teas." Now, it is also a fact that a society reporter has only two legs, two hands and one brain with which to hold down her job. She is not furnished automobiles and aeroplanes along with the paper and pencils to use. So you see her capacity for "soliciting" is limited. Consequently, she must, you know, thank the mail carrier and the numerous friendly "press agents" over the country when she gets a written article about Mrs. Brown's dinner party or Mrs. Jones' thimble tea.

But there must be one thing more added to the notice, else the most wanted article must go into the waste basket instead of the society news department. That thing is the name of the sender. Notices sent in anonymously or fictitiously signed only cannot conscientiously be used by a reporter. You would ignore the receipts of an unsigned message. A reporter wants the news, but she is just as truthful in her dealings as you. The name of the sender will not be printed in any case, but it must be there if the news is used.

Please stand in the reporter's shoes just once. Then you will never omit the name.

### To Meet Friday.

The Ladies' Aid society of the Buchanan Street Methodist church will hold its regular business session Friday afternoon at 2:30 o'clock, at the church. All members are urged to be present.

### Conference of Club.

The conference of departments of the Twentieth Century club will be held tonight at 8 o'clock at the Elks club, with the Modern Drama department as hostesses.

### Dinner Party.

Mr. and Mrs. Preston Seafers will entertain with a dinner party this evening, at which their guests will be Mr. and Mrs. Walter Metz, Mr. and Mrs. I. W. Nixon, Mrs. W. R. Wells and Misses Marie and Kathleen Wells.

### Mrs. Kerfoot Hostess.

Mrs. Emma Kerfoot of Barnard entertained with a 12 o'clock dinner yesterday, complimentary to Mrs. A. E. Lloyd and Miss Eliza Vaughn of Wray, Col. Plates were laid for Mrs. Lloyd, Miss Vaughn, Mrs. Henry Miller and daughter, Mrs. L. E. Sargent of Bolckow, Mrs. M. V. Baker, Mrs. T. A. Humber, Miss Mattie Wilson and Miss May Ives of Bolckow, Mrs. Mary Darling, the mother of the hostess, who has recently celebrated her ninetieth birthday, and Mrs. Kerfoot. The gathering was an unusually pleasant one, as all of the company are old friends and some are former schoolmates and had not visited together for some time.

### Gives Third Afternoon.

Mrs. M. L. Beattie, Mrs. A. B. Allen and Mrs. Earl Baker gave the third of a series of informal afternoon parties at the home of Mrs. Beattie, this afternoon. Among the visiting guests was Mrs. C. C. Banks of Lansford, N. D., who is visiting her sister, Mrs. Fayette Bellows. At the yesterday afternoon affair the game prize was awarded to Mrs. Virgil Keene. Mrs. Edgar Schilder of Fort Wayne, Ind., who is visiting her parents, Mr. and Mrs. Frank Barmann, was an out-of-town guest.

### Mr. and Mrs. Myers Entertain.

Mr. and Mrs. Edward Myers entertained a number of friends with a delightful evening at cards Tuesday at their country home, south of the city. A two-course supper followed the games. The guests were Mr. and Mrs. Michael Baker and family, Mr. and Mrs. Rufus Allen, Mr. and Mrs. George Dewitt, Mrs. Feugay, Miss Mattie Anderson, Miss Agatha Hengler and A. B. Hengler.

### Thimble Party.

Mrs. Frank Murray was the hostess of a thimble party and tea given yesterday afternoon, when her guests were the members of the All-Sow club and a few other friends. Those who enjoyed the afternoon were Mrs. W. R. Tilson, Mrs. James Murray, Mrs. Grace Masters, Mrs. Edward Martin, Mrs. Roy Martin and Miss Marie Murray.

## \$100 Reward, \$100

There is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## GIRLS! GIRLS! TRY IT. BEAUTIFY YOUR HAIR

Make it thick, glossy, wavy, luxuriant and remove dandruff—Real surprise for you.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.

club members, and Mrs. Walter Lavelle, Mrs. William Edwards, Mrs. Charles Smith, Mrs. Hiram Edwards and Miss Mayme Tilson.

### Domino Party.

Mrs. Charles Eckert and Mrs. Edward Egley have issued invitations to guests for a domino party tomorrow afternoon at the home of Mrs. Egley, 815 North Main street.

### Compliment to Recent Bride.

The Sigma Delta Chi sorority will give a 6 o'clock luncheon Tuesday evening, February 9, at the home of Miss Marie Reuillard, complimentary to Mrs. John Leiber Holmes.

### Guests of the Powells.

Mrs. W. D. Mallon of St. Joseph and her sister, Mrs. Walter Gillam of Salt Lake City, Utah, who have been visiting Miss Irene Swinford, went to the country home of Mr. and Mrs. E. P. Powell, south of the city, last night, where they will be entertained for several days.

### Hogan-Mergen.

Peter Mergen, accompanied by his bride, arrived in Maryville at noon from Kansas City to spend a few days visiting relatives and friends. Mrs. Mergen was formerly Mrs. Rosa Hogan of Kansas City, and her marriage to Mr. Mergen took place at 3 o'clock yesterday afternoon. She is the widow of James Hogan, who was a member of the traffic police force in Kansas City for many years. Mr. Hogan was a brother of Mr. Mergen's first wife.

Mr. Mergen recently purchased a confectionery business in Kansas City and he and his wife will make their home in that city.

### Sewell-Morga.

A pretty home wedding attended by a simplicity of arrangement took place yesterday afternoon at the home of Mr. and Mrs. John K. Sewell on North Main street, when their daughter, Freida Freytag, was given in marriage to the Rev. Harry Kenneth Morga, of Helena. The wedding march, the melody from Mendelssohn, was played by the bride's sister, Miss Mary Sewell. The words of the service were pronounced by the Rev. Gilbert S. Cox, pastor of the First Methodist Church, at 2:30 o'clock. For the ceremony the bride wore a simple made gown of white crepe de chine, trimmed in pearl garniture and carried a shower bouquet of bride's roses and valley lilies. She was attended by her sister, Beatrice, as maid of honor. Miss Sewell wore a dainty frock of pale yellow. The groom was attended by the bride's brother, Myron, of Burlington Junction. Following the ceremony, an afternoon luncheon was served. Pink and white was carried out in the menu served and the same colors were used in the room decorations, with clusters of pink and white carnations. The ceremony was witnessed by the members of the family and a few out of town relatives and friends who included the Rev. and Mrs. W. D. Morga, of Oregon, Mo., parents of the groom, Mrs. Charles Impey, and daughters, Mrs. Fanne Blackley and Miss Gladys Impey of Omaha, Neb., Miss Ella Freytag of Graham, Mr. and Mrs. J. J. Knabb and Miss Mollie Hall.

The Rev. Mr. Morga and his bride left on the afternoon train for their home at Helena. Mr. Morga is minister of the Methodist church at that place.

## STONE SCORES SEVEN BOLTERS

Declares They Conspired With  
Foes of Ship Bill.

### SPRING COMPLETE SURPRISE

Missouri Defender of Administration

Measure Denounces Clarke of Arkansas, Leader of Revolt, For "Perfidy." After Being Honored.

Washington, Feb. 4.—When the administration Democrats in the senate got ready to recommit the shipping bill, with instructions for a report with the caucus amendments, they found themselves in a minority and began maneuvering to prevent a vote on Senator Clarke's original motion to recommit without instructions.

A hurried conference of administration Democrats agreed that Senator Stone should begin a speech. How long he would talk was not decided.

Meanwhile the Democrats learned that Senator Kenyon was committed to vote for an unamended motion to recommit, and that threw the Democrats into a quandary, as they were counting on his vote.

Senator Stone paid his respects in caustic terms to the seven Democrats who voted with the Republicans Monday and placed the bill in its present position, characterizing them as the "seven conspirators."

Senators O'Gorman and Vandam were on their feet at once with demands that Senator Stone be called to order for having impugned the motives of senators in violation of the rules.

The latter said he apologized, and proceeded. "I think I am within my rights," Senator Stone resumed, "that there are among us Democrats who, by courtesy, if not by right, still are permitted to occupy this side of the chamber. Like Brutus, they are all most honorable men, but it is a fact that these Democrats, unbeknown to us, conferred with the enemy and confided to them our plans."

### Spring Surprise.

"I am within my rights when I say that these Democrats marched in here the other day and sprang a complete and hostile surprise on all their colleagues on this side of the chamber. Republican senators had been served with notice of what was coming. These Democrats and the Republicans were acting in concert. I congratulate our friends, the enemy, on the coup they made. You did upset us. You did get us in a tight hole and I don't know that we are going to get out of it. It was a fine, a most artistic performance. Again I tender my most flattering compliments to the senators on that side of the chamber."

Senator Stone recalled that Senator Clarke, the leader of the revolt, had been re-elected president pro tempore of the senate by the same organization which had decreed the shipping bill as a party measure.

"He desired that honor," Senator Stone declared, waving his hand toward the Arkansas senator. "It was not thrust upon him."

It was apparent that a serious breach in the Democratic ranks had come and confusion throughout the chamber followed Stone's personal reference to Clarke. When it subsided, Mr. Stone continued:

### Trying to Unhobble Party.

"We gratified the ambition of the senator from Arkansas by electing him to this high office and now before the congress expires which elected him to preside, he is here leader of a performance intended to unhobble the Democratic party."

Senator Clarke by that time had risen and asked recognition. Senator Stone, with a wave of his arms yielded.

The Arkansas senator insisted he had never violated a caucus pledge.

While Senator Stone continued to arraign the bolting Democrats, administration leaders worked desperately to improve the prospects of the bill.

### ONLY ONE "BEST."

Maryville People Give Credit Where Credit is Due.

People of Maryville who suffer with weak kidneys and bad backs want a kidney remedy that can be depended upon. Doan's Kidney Pills is a medicine for the kidneys only, and one that is backed by willing testimony of Maryville people. Here's a case:

Mrs. R. Snyder, 1108 East Third street, Maryville, says: "My kidneys bothered me for quite awhile, and I had a dull pain across my back. I felt tired all the time and couldn't rest well. After using a few boxes of Doan's Kidney Pills I got great relief. My health has been better since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Snyder had. Foster-Milburn Co., Props., Buffalo, N. Y.

## VILLA PROCLAIMS HIMSELF DICTATOR

Issues Manifesto Declaring He Assumes Charge of Presidency.

El Paso, Tex., Feb. 4.—Francisco Villa has proclaimed himself in charge of the presidency of Mexico. This was announced in a telegram from General Villa received by his agents here. Villa appointed three ministers to take charge of the civil government.

Villa gave as his reason for assuming the office that his forces had been separated from the convention government, headed by Roque Gonzalez Garza as provisional president, who left with the Zapata forces, when they departed south from Mexico City at its occupation recently by Obregon's Carranza troops.

## SHIP TRUST SUIT DISMISSED

Combine Practically Dissolved as Result of European War.

New York, Feb. 4.—The government's anti-trust suits against the Prince line, the Hamburg-American line, the Lamport & Holt line and others, charging restraint of trade in connection with freight and passenger steamship rates between American ports and Brazil, and against the American Asiatic Steamship company and others, whose steamships ply between New York and Asiatic ports were dismissed.

In dismissing the petition against the Prince line and its co-defendants which include a British line and two German lines, Judge Lacombe asserts that the combination complained of has been practically dissolved as a result of the European war.

### Carranza Troops Again Routed.

El Paso, Tex., Feb. 4.—Following their defeat at San Luis Potosi, the Carranza troops again were routed south of that place, according to official Villa advices received here. It was stated that the Villa column, under General Banda, utterly routed the retreating Carranza forces of General Benavides, capturing all their artillery and supply trains and many prisoners.

Kansas City Grocer Buys Gold Brick. Kansas City, Feb. 4.—A "gold brick" is reposing in the Kansas City police station for the first time in thirty years. The brick was sold to Frank Caramusa, an Italian grocer, who bought a half interest in it for \$2,000, of which he paid \$500 in cash. Two men and a woman were arrested a few hours after Caramusa turned over his purchase to the police.

### Would Stop "Dope" Evil.

A special campaign against the sale and use of habit forming drugs has been started by the Missouri branch of the W. C. T. U. The association, by means of literature and other ways, plans to educate the people against the drug evil.

## HINDENBURG IS NEARER WARSAW

Germans Continue Attacks on  
Russians, Making Slight Gain.

## THEIR LOSSES TREMENDOUS

Should First Barrier Be Broken  
Through, Second One of Great  
Strength Remains—Western Zone  
Is Generally Quiet.

### WAR SUMMARY

Heavy fighting is in progress in the eastern war zone. The Teutonic allies captured 1,000 prisoners in a struggle for important heights which were stubbornly defended, but which finally the Russians yielded.

German attacks and repulses are reported in the west.

Turks were repulsed twice by British forces on the Suez canal near Toussoum, thirty-five miles north of Suez, where they attempted to throw a bridge across the waterway, and near El Kantara.

A German aeroplane which flew over Swiss territory was fired upon by Swiss infantrymen, according to reports reaching Basel.

London, Feb. 4.—The strenuous fighting in the east monopolizes attention, comparative quiet prevailing on the western front.

While the Russians are on the offensive in East Prussia, in northwest Poland and the passes of the Carpathians, the Germans continue their attacks on the Russian lines along the Bzura and Rawka rivers. The invaders reached the Rawka line about the middle of December and since that time have made at least half a dozen attacks in force against the Russian trenches, each time at undoubted heavy cost.

Nothing daunted, however, they have been repeating the attacks during the last week, and while they have made a slight advance it has been accomplished only after further great losses, according to the reports from Petrograd.

Now it is believed the Germans are preparing for still another onslaught, for only by compelling the Russians to strengthen their lines protecting Warsaw can they hope to divert the Russian attacks from East Prussia and Hungary.

Should the Germans break through this barrier there is another line of entrenchments half way between the Bzura and Warsaw, with Blonie as the center, which would have to be forced before the Polish capital fell.

In the Carpathians the Austrians and Germans are offering vigorous resistance to the Russians, and a decision has not been reached in the battle which has been in progress there for some days.

The statement in the Russian report that there has been fighting to the southeast of Uzok pass, in the interior of Dukla pass, and to the southeast of Beskid pass, indicates the extent of the struggle for the possession of these important strategic points.

## HAS DEVICE TO END WRECKS

Automatic Train Stop and Control Has Been Perfected.

Washington, Feb. 4.—The interstate commerce commission has filed with the senate committee on interstate commerce a report from its division of safety, stating that there has been perfected an automatic train stop and control which will prevent train collisions, even when the block signal system fails to work. An automatic train stop and control which would work has been sought for many years.

### Prof. Tournier Is Killed in Battle.

San Francisco, Feb. 4.—Alfred Tournier, former professor of viticulture of the University of California, was killed while fighting for France, according to a letter received here by his family from Arsene Tournier, brother of the slain man, and his comrade at arms, in the trenches of Picardy.

### Agree on Corri For Referee.

Kansas City, Feb. 4.—Eugene Corri, official referee of the Sporting Club of London, has been agreed upon as referee for the fight between Jack Johnson and Jess Willard at Juarez, Mex., March 6, according to an announcement made here by the promoter of the fight. A cablegram was sent to Corri asking his acceptance.

## NORMAL GETS ALL BUT \$1,000 ASKED

LEGISLATIVE COMMITTEE WOULD GIVE \$169,520 FOR TWO YEARS.

## CUT SUM ASKED FOR IMPROVING CAMPUS

Appropriation Bodies Take Two Chops at Improvement Plans—Now Must Pass Both Branches.

The State Normal school will probably get all but \$1,000 sought for the operation and improvement of the state school here for the next two years, or a total of \$169,520, as a result of the decision of the appropriation committee in the house soon, if the senate committee of both the senate and house of the state legislature last night, following a conference with regent members and President Ira Richardson. The only place where the appropriation might be further reduced is when the matter comes up for final passage in the house and senate.

This is considered one of the best indications here that the Normal school of Maryville is now fully recognized throughout the state and that its stated needs are fully warranted. The fact that Senator Anderson Craig of Maryville also is chairman of the junketing committee which inspected the state institutions recently and likewise of the senate appropriations committee, also helped the Normal materially in getting almost through with almost the full budget.

### Cut Campus Fund.

The only auxiliary fund that suffered was the campus improvement, which had \$500 chopped off by the junketing committee itself some time ago, and now gets a further reduction of \$1,000 at the hands of the senate committee. An effort was made by the two committees last night, Senator Craig reported, to chop the salary fund of \$118,820 somewhat, but on persistent argument by him, they agreed to let it stand as recommended by the regents.

The Normal received but \$118,041.61 two years ago from the state for the biennial period of 1913-1914, while the salary bill alone for the Normal for 1915-1916 will be more than that.

The action of the committee of the legislature followed a conference which the senate committee had at 7:30 o'clock last night in Jefferson City with President Richardson, W. A. Blagg, president of the board of regents, and W. G. Hine of Savannah, a member of that board. They returned home this afternoon.

### Expect Amount to Stand.

After this hearing, the committee went into executive session, where the \$1,000 cut in the campus improvement fund was made, and the discussion relative to the salary fund cut was held. The senate appropriation committee then met with the appropriations committee of the house.

At this joint session further discussion failed to bring about any change and the budget went through as sought by the Normal board of regents and President Richardson and the junketing committee with the \$1,000 reduction in the campus improvement fund.

In discussing the matter this afternoon, Mr. Blagg said he had little fear that the budget would be reduced any now, unless, when the bill was brought up for passage in the house soon, it might be found necessary to reduce the biennial funds for the various state institutions that the total state appropriation may be kept within the amount available for that purpose.

### Water System Seems Sure.

"Otherwise I believe the house and senate, too, will concur in the report of the two appropriation committees," said Mr. Blagg. "The fund of \$5,000 for establishing a deep well system at the Normal, so as to safeguard it against a lack of water in the summer and having to depend on the municipal system here, was reported on favorably throughout."

"The campus improvement plans were in line with the recommendations made by H. F. Major, landscape artist of the state university, recently. While it is regretted that the policy could not be followed in full, the \$1,000 yet available in this fund will be used to the best advantage possible."

The budget as finally adopted by the two committees is divided as follows:	
Salaries .....	\$118,820
Current supplies and equipment .....	14,000
Library .....	2,000
Paving deficiency (approximately) .....	2,000
Campus improvement .....	1,500
Greenhouse .....	2,500
Farm equipment (residence, barns, stock, utensils and outbuildings) .....	10,000
Direct radiation (engineer's estimate) .....	14,000
Deep well and fittings .....	5,000
Total .....	\$169,320

## NORMAL EXPECTS HARD GAME

Game With Tarkio Tomorrow Night Will Be Hardest, Belief—Leave in the Morning.

The Normal basketball squad will leave Maryville tomorrow morning for Tarkio, where it will play Tarkio college tomorrow night.

Coach Walter Hanson's men have been doing some strenuous work during the past week in preparation for this game, and the contest promises to be one of the best basketball struggles put on in this part of the state for some time.

As a large number of Maryville rooters are expected to attend the game, Coach Hanson telephoned to the Walnut Inn for reservations for the Maryville team today.

In anticipation of one of the hardest games of the season's schedule, Mr. Hanson is taking eight players on the trip. The following men will go: Searlett, Ham, Vandersloot, Scott, Woodward, Leech, McClintock and Quinn.

Mr. Hanson attempted to negotiate a game for tomorrow night with Missouri university, either at Maryville or at Columbia. In place of the game Oklahoma, but received word last night which Missouri was to have played with from Coach Brewer that it would be impossible to arrange the game.

This means that the Normal will year. In the event that the game had year. In the event that the game had year. In the event that the game had year. In the event that the game had year.

## CALL OFF TARKIO GAME

High School Team May Play Gallatin or King City Here Tomorrow Night.

The basketball game which the Maryville high school was to play at the Normal gymnasium here Saturday night, with the Tarkio high school team, has been indefinitely postponed on account of being unable to secure the use of the Normal gymnasium on a Saturday night. The effort to get the game set ahead to tomorrow night also failed.

A game probably will be played here tomorrow night with either the basketball teams of Gallatin or King City, however, according to H. B. Polson, athletic director of the high school. Both are said to be good teams and able to give the local team a hot contest.

## JOHNSON NEAL, 70, DIES.

Funeral Services to Be Held at Neal Farm—Burial at White Oak.

Johnson Neal, 70, a resident of Nodaway county for the past forty years, died at 6 o'clock this morning at his home, east of Pickering.

The funeral services will be held at 1 o'clock Saturday afternoon at the family home, conducted by the Rev. E. W. Killion, pastor of the Christian church of Pickering. The interment will be made in the White Oak cemetery.

Mr. Neal was born in Ohio and came with his family to Nodaway county in 1873. He is survived by a wife and ten children. The children are Marion Neal of Texas, Mrs. Lizzie Hanna of Pickering, Mrs. Mary Wysong of Clinton, George Neal of Cedar Rapids, Mrs. Edna Collins of Maryville, J. W. Neal and Miss Edith Neal of Pickering, Mrs. Charles Hinton of Almyra, Wash.; Mrs. Dollie Baum and Mrs. George Smith of Barnard.

### Expect Good Crops.

All the signs are favorable for big yields of field and orchards in Missouri this year. A bumper wheat crop is predicted and the horticulturists say that apple and strawberry prospects were never brighter.

## LAUDS COMPANY F

LOCAL MILITIAMEN PASS ANNUAL U. S. ARMY INSPECTION.

## MAY CHANGE ARMORY

National Guard Heads Seek Better and Larger Quarters Here—"Weed Out Undesirables," Says Staff Head.

"Weed out the undesirable as fast as possible and Maryville will have one of the best National Guard companies in the Fourth Regiment," said Colonel John D. McNeeley of St. Joseph, colonel of this regiment and Major Joseph L. Hanley of Jefferson City, inspector-general of the National Guards of Missouri, following the annual inspection of Company F, last night. "The company is under handicap through improper quarters and past neglect, but it can be brought out."

The inspection was made by Captain Charles M. Gordon of the U. S. Army. About fifty members of the local militia reported for review last night. They were in charge of First Lieutenant Loren DeMotte and Second Lieutenant Arch Ledgerwood.

The company, as a unit, ranks as well as the three previously inspected in the Fourth Regiment, according to the inspectors. They were at St. Joseph, Tarkio and Slater. The company at Bethany is to be reviewed tonight.

### Praise Company Heads.

While the three inspectors were agreed that the training of the National Guard men here did not show up as well as it could by considerable, Colonel McNeeley said it was much better than six months ago when he became head regimental officer. He also warmly praised Lieutenants DeMotte and Ledgerwood for their efforts in trying to maintain a creditable company here, despite the handicaps under which it has labored.

"The big effort from now on in Company F, should be in bringing the standard of the company up, by discharging the undesirable members as fast as their terms expire and making an earnest campaign to bring in the better class of young men of Maryville," said Colonel McNeeley, this morning.

### Seek Better Quarters.

One other move that was started yesterday by the visiting National Guard heads in cooperation with the local militia officers, was to endeavor to secure better quarters for the company than it now has over the Tribune office.

A location reported on quite favorably by the officers, was the second floor of the brick building occupied by Wadley Brothers' harness and buggy shop on the east side of the square. This hall would give a drilling space of 85 by 45 feet as at present arranged while a mere room now is available by the company.

The officers have agreed to take the hall at \$35 a month if the ceiling is raised, several of the center pillars removed and equipment and storage rooms installed at the rear of the hall. This offer is being considered by the management, and it is believed that Company F soon can move into better quarters.

The installation of a rifle range near Maryville also is sought though no definite action in this regard will be taken at once, it was announced. Some new equipment for the company will be forwarded here immediately, however.

## WOODMEN AND MEDICS FEAST.

Two Banquets Will Be Held Tonight—Expect 200 Fraternalists.

Two banquets, with speaking and music to follow, will be held in Maryville tonight. One, that of the joint annual banquet of the Woodmen of the World and Woodmen Circle to be held in the W. O. W. hall, will probably be attended by 200 or more men and women. The other, that of the Nodaway County Medical society, to be held in the Elks club, will probably be attended by twenty-five or more from over the county.

A lengthy program of music and speaking has been prepared by the Woodmen, to follow the banquet. The medical men also will have speaking as well as the regular monthly business session.

### Spends Much on Life Saving.

The business of heroism is expensive, but it pays. During the fiscal year of 1914 the government spent upward of \$2,000,000 for the maintenance of its life-saving service. As against this expenditure its annual report shows a total of 1,937 vessels aided, \$18,782,200 worth of property saved and 4,762 persons rescued.

## CONTINUE REVIVAL

SUCCESS OF BAPTIST CAMPAIGN PROMPTS FURTHER EFFORTS.

## DENOUNCES HYPOCRITE

Evangelist A. E. Burch Says Church Members Should Watch Over New Converts.

"The trifling, no account lives some church members live keeps many people out of the church."

"A hypocrite in the church is the worst thing in the world."

"God expects you and me to have a compelling or restraining power over people."

"An excuse is not a reason for doing God's will."

"I believe that God's people hold the balance of power the world around tonight."

"Every man that lives an unclean life will have to pay the awful penalty."

"What the world wants is real men that are in earnest."

It was decided last night to continue the revival services at the First Baptist church until Sunday night, instead of concluding them last night, as first planned. This action was largely taken because of the expressed will of the audience, and through the fact that sixteen more conversions were professed last night. This brings the total now to 321.

The Rev. A. E. Burch, conducting the religious campaign, was to have begun union meetings at Mexico this week, but on account of continuing the services here will not begin there until next week. Twenty-five persons were baptized last night prior to the services.

The special music service last night consisted of a vocal solo by Mrs. F. P. Robinson, "I Want to Go There," and "The Latch of Father's Door," by the Burch family.

### Take Care of Young Folk.

Previous to the sermon, Evangelist Burch talked to the church members in particular. He said in part:

"It's up to you now to do your part, to take care of these young converts, babes in Christ. The trifling, no account lives some of us church members live today is what keeps so many people out of the church."

"An old hypocrite in the church is the worst thing in the world. It's simply up to the church to take care of the young people's problem, to give them entertainment and care."

Mr. Burch's topic was, "The Compelling Power of God's Service." His text, "And the Lord said unto the servants, go out into the highways and hedges and compel them to come in that my house may be filled."

### Ingratitude Worst Sin.

"The word compel means a constraining power," explained Mr. Burch. "Sometimes we do things because we are compelled to do them; because of the situation we are in, and I believe that is what the word compel means here. I believe God expects you and me to have a compelling or constraining power over people."

"Oftentimes men make excuses. An excuse is not a reason for not doing God's will. Ingratitude is the deepest dyed of all sins. I believe God's people ought to take stock of themselves and see if they are grateful enough to God for the things he has done for them. I believe it would change our whole lives if we were just grateful enough to God for His blessings."

### Is Mission of Authority.

"And then, there is the need of servants in the Lord's house. Servants to go out into the highways and hedges and bring men in. It is the greatest need of the day. Servants to compel men to come in."

"Ours is a mission of authority. You and I ought to feel that our Father is running the things of our hearts. He has His hand upon the throttle. I believe that God's people hold the balance of power the world around tonight. The things that do exist in our land exist because God's people allow them. We are ambassadors here, not to do our own will, but to do God's will."

"There is nothing so intoxicating as our power. We all have the authority to preach the gospel of Christ if we only knew it. I believe that any man whose heart is on fire for Christ can get a crowd to listen to the story of the Christ. It is the power of the gospel."

"How can we compel men? By a spotless life. Pure and undefiled religion before God is to keep ourselves unspotted from the world. It is an unspotted life that counts. Every man that lives an unclean life and stays away from Christ will have to pay the awful penalty not only for his own sake, but for the sake of those he might have won for Christ."

"And then we can compel by our earnestness. God bless a man that is in earnest and God pity the man that is not. What the world wants from the millionaire down to the pauper tonight is real men that are in earnest. Earnestness is the most powerful thing in this world. The man that is not on fire with the earnestness of God can't compel men to come into the King's household."

## BANGS INDEED HUMOROUS

Lyceum Lecturer Makes "Hit" With Audience With "Salubrities I Have Met."

John Kendrick Bangs really is humorous, only in a different way from most of the so-called comedy lecturers. He puts plenty of meat between, so that one does not leave with an empty mental feeling, despite the fact that a smile plays topsy-turvy over his facial features. A full house turned out last night to hear this celebrated humorist, lecturer and author give his talk on "Salubrities I Have Met," at the First Christian church. He was brought here by the Maryville Lyceum association.

This genial Bangs didn't mix "salubrities" with celebrities, either, although a couple of his obituaries were of men who are really great. But happiness, sense of humor and an always pleasant face, were easily the mark which distinguishes a "salubrity" from a "celebrity," Bangs proved.

One of Missouri's products came in for notice, the final one, but the best, is seemed. He was Samuel Clemens, who most of us know as Mark Twain. Then Andrew Carnegie, Winston Churchill, Richard Harding Davis, Robert Grant and Livingston, the explorer, also came in for due commendation for being "salubrious." A few "salubrities" were brought out in the limelight as well.

The closing number of the lyceum course will be given February 23, when Dr. Russell H. Conwell will lecture at the First Christian church.

## YOUNG WOMAN INJURED.

Mrs. Wynn of Graham Hurt by Fall—In Critical Condition.

Mrs. Floyd Wynn of Graham is critically ill with concussion of the brain, caused from injuries received in a fall Tuesday night. Mrs. Wynn was visiting at the home of a neighbor. As she started home she slipped and fell on the porch steps, striking the back of her head. She was unconscious for several hours and her condition this afternoon is critical.

Mrs. Wynn is a daughter of Mrs. E. Dawson, living southeast of Skidmore.

BEST LAXATIVE FOR  
BOWELS—"CASCARETS"

They Clean Liver; Sweeten Stomach; End Sick Headache, Bad Breath, Indigestion, Constipation. Get a 10-cent box.

Are you keeping your bowels, liver, and stomach clean, pure and fresh with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills, castor oil or purgative waters?

Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, biliousness, coated tongue, indigestion, sour stomach or constipated bowels. Cascarets belong in every household. Children just love to take them.

BAD COLD? HEADACHY  
AND NOSE STUFFED

"Pape's Cold Compound" Relieves Cold or the Grippe in Few Hours—No Quinine Used.

Take "Pape's Cold Compound" every two hours until you have taken three doses, then all gripe misery goes and your cold will be broken. It promptly opens your clogged up nostrils and air passages of the head; stops nasty discharge or nose running; relieves the headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing. Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute.

APPROVES 169 MILES OF ROAD

Nodaway Will Receive \$2,538.72 Annually for Support of Highways, State Engineer Reports.

County Highway Engineer John H. Clary received from State Highway Engineer Buffum the approved mileage report of this county. It shows 169 1/2 miles of state highways here and a total sum of \$211.56 to be apportioned every month or \$2,538.72 annually from the state fund. No money has been received for these roads since last June, but it is expected that since the roads are approved, that payment will be made soon.

According to the mileage report, the Maryville-Savannah county seat highway road extends 19 miles in this county. The Maryville-Albany county seat highway extends over 24 miles in this county, nine miles being included from Gallagher corner via Concepcion Junction to the county line, east of Clyde.

The Maryville-Grant City highway has a distance of 21 miles in this county. The distance of the Maryville-Rockport road is 9 1/2 miles, as part of this road is used for the Clarinda, Ia., highway.

The highway having the greatest distance is the road to Oregon. It covers 47 1/2 miles in this county. The highway goes west of Maryville-four miles then south, then west, then south, then west again to Skidmore, then to Maitland, then to Oregon. From this highway, there is a tap line from the O'Grady corner to Quitman and also a tap line from the three mile corner to Graham, the distance to Quitman being nine miles and that to Graham being 15 1/2 miles.

The state road to Bedford covers 22 1/2 miles here and the road to Clarinda 25 miles.

The aggregate expenditure for public road construction in the United States for 1914 is estimated at \$255,000,000, or more than \$100 for every mile of public highway in the country.

For Accurate Crop Statistics

A measure is sought by the state board of agriculture to stop guesswork about Missouri's agricultural activities in a bill presented to the state legislature. It provides that the actual knowledge of how many acres of wheat and other valuable statistics shall be gathered by the assessors in their regular rounds, just as the same information has been gathered in Kansas, to the end that the Sunflower state has received world wide advertising from the distribution of this information.

Oppose Better Dragging Pay.

A bill increasing the amount the state may pay for dragging and improving inter-county seat roads from \$15 to \$25 a mile was refused engrossment when brought up in the state legislature yesterday. There seemed to be considerable opposition to improving county seat highways at the expense of pikes less fortunately situated.

State Veterinarian Declares Cattle Malady in Kansas Should Not Occasion Alarm.

Just because the government has placed a quarantine on four Kansas counties, on account of the supposed presence of the dreaded foot and mouth disease among some cattle, is no reason why Missourians should be alarmed, State Veterinarian Dr. D. F. Luckey says. In this regard Dr. Luckey says:

"We are leaving nothing within our power undone to protect Missouri from an outbreak of foot and mouth disease."

"I want to advise Missouri farmers to remain cool. There is no excuse for a panicky feeling. No farmer should rush his stock to market."

"I feel confident that there will be no outbreak of foot and mouth disease in Missouri. And if it does come we will be able to control it. I therefore advise every farmer to hold his stock and not sell it in uncertain markets."

MEANS MUCH TO LOCAL SHOW.

Father of State Aid Poultry Bill Explains Needs of Such Appropriation.

That the bill recently introduced in the house of the state legislature providing for the state to appropriate \$100 annually to all county poultry associations in Missouri would mean much towards promoting a greater industry in this line is explained by its father, Representative Joseph A. Myers of Howell county. That it would be of great benefit to the Northwest Missouri Poultry association of Maryville also is declared by local officials of that organization.

Representative Myers' bill provides that the state aid should be made through the State Poultry association and that the money should be handled through this association to the county associations. Only the authorized, properly organized associations, holding shows under the rules of the state association, would be entitled to share in the premium money. The purpose is to promote the poultry raising industry in Missouri.

"There are at present about 53 county poultry associations in Missouri," said Mr. Myers in explaining his measure. "These associations hold annual shows and co-operate with the state association in trying to build up the industry in Missouri. This industry is growing to enormous proportions and Missouri is today one of the leading, if not the leading, poultry states in the Union. The state gives aid to other agricultural developments but the only aid given poultry is through the experimental farm at Mountain Grove. The excellent work at this station warrants the state going farther in promotion work so as to reach into every county where the industry is locally organized."

"The chief trouble with the county shows is the inability to get premiums to stimulate poultry raisers to compete. It is an expensive proposition to put pens of poultry into a county or state show and unless there is a chance to win premiums which will meet that expense a breeder cannot participate."

"This state aid would be only nominal, but it would stimulate the county associations in their work and that work certainly is a good work for this state."

## SOCIETY AND CLUBLAND

KATE SCHENCK  
Phones—Office 42 Home 683

A newspaper's essential excuse for existence is to publish the news. Also the most essential news in the judgment of the society reporter is the "pink teas." Now, it is also a fact that a society reporter has only two legs, two hands and one brain with which to hold down her job. She is not furnished automobiles and aeroplanes along with the paper and pencils to use. So you see her capacity for "soliciting" is limited. Consequently, she must, you know, thank the mail carrier and the numerous friendly "press agents" over the country when she gets a written article about Mrs. Brown's dinner party or Mrs. Jones' thimble tea.

But there must be one thing more added to the notice, else the most wanted article must go into the waste basket instead of the society news department. That thing is the name of the sender. Notices sent in anonymously or fictitiously signed only cannot conscientiously be used by a reporter. You would ignore the receipts of an unsigned message. A reporter wants the news, but she is just as truthful in her dealings as you. The name of the sender will not be printed in any case, but it must be there if the news is used.

Please stand in the reporter's shoes just once. Then you will never omit the name.

### To Meet Friday.

## GIRLS! GIRLS! TRY IT. BEAUTIFY YOUR HAIR

Make it thick, glossy, wavy, luxuriant and remove dandruff—Real surprise for you.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any drug-gist or toilet counter, and just try it.

club members, and Mrs. Walter La-vette, Mrs. William Edwards, Mrs. Charles Smith, Mrs. Hiram Edwards and Miss Mayme Tilson.

### Domino Party.

Mrs. Charles Eckert and Mrs. Edward Egley have issued invitations to guests for a domino party tomorrow afternoon at the home of Mrs. Egley, 815 North Main street.

### Compliment to Recent Bride.

The Sigma Delta Chi sorority will give a 6 o'clock luncheon Tuesday evening, February 9, at the home of Miss Marie Reuillard, complimentary to Mrs. John Leiber Holmes.

### Guests of the Powells.

Mrs. W. D. Mallon of St. Joseph and her sister, Mrs. Walter Gillam of Salt Lake City, Utah, who have been visiting Miss Irene Swinford, went to the country home of Mr. and Mrs. E. P. Powell, south of the city, last night, where they will be entertained for several days.

### Hogan-Mergen.

Peter Mergen, accompanied by his bride, arrived in Maryville at noon from Kansas City to spend a few days visiting relatives and friends. Mrs. Mergen was formerly Mrs. Rosa Hogan of Kansas City, and her marriage to Mr. Mergen took place at 3 o'clock yesterday afternoon. She is the widow of James Hogan, who was a member of the traffic police force in Kansas City for many years. Mr. Hogan was a brother of Mr. Mergen's first wife.

Mr. Mergen recently purchased a confectionery business in Kansas City and he and his wife will make their home in that city.

### Sewell-Morga.

A pretty home wedding attended by a simplicity of arrangement took place yesterday afternoon at the home of Mr. and Mrs. John K. Sewell on North Main street, when their daughter, Freida Freytag, was given in marriage to the Rev. Harry Kenneth Morga, of Helena. The wedding march, the melody from Mendelssohn, was played by the bride's sister, Miss Mary Sewell. The words of the service were pronounced by the Rev. Gilbert S. Cox, pastor of the First Methodist Church, at 2:30 o'clock. For the ceremony the bride wore a simply made gown of white crepe de chine, trimmed in pearl garniture and carried a shower bouquet of bride's roses and valley lilies. She was attended by her sister, Beatrice, as maid of honor. Miss Sewell wore a dainty frock of pale yellow. The groom was attended by the bride's brother, Myron, of Burlington Junction. Following the ceremony, an afternoon luncheon was served. Pink and white was carried out in the menu served and the same colors were used in the room decorations, with clusters of pink and white carnations. The ceremony was witnessed by the members of the family and a few out of town relatives and friends who included the Rev. and Mrs. W. D. Morga, of Oregon, Mo., parents of the groom, Mrs. Charles Impey, and daughters, Mrs. Faune Blackley and Miss Gladys Impey of Omaha, Neb., Miss Ella Freytag of Graham, Mr. and Mrs. J. J. Knabb and Miss Mollie Hall.

The Rev. Mr. Morga and his bride left on the afternoon train for their home at Helena. Mr. Morga is minister of the Methodist church at that place.

### One-Sixth Is Corn Field.

In 1914 about one-sixth of the entire area of Missouri was planted to corn. There were 7,421,678 acres in corn. The season was dry, but, nevertheless, Missouri farmers gathered 175,153,072 bushels of corn.

State Owns Much Property.

Missouri owns a heap of property and it is worth a heap of money. It owns 108 town lots and 4,887 acres of land, numerous buildings and furniture, and machinery and equipment of an estimated value of \$19,005,867.13.

## STONE SCORES SEVEN BOLTERS

Declares They Conspired With  
Foes of Ship Bill.

### SPRING COMPLETE SURPRISE

Missouri Defender of Administration Measure Denounces Clarke of Arkansas, Leader of Revolt, For "Penny-fidy." After Being Honored.

Washington, Feb. 4.—When the administration Democrats in the senate got ready to recommit the shipping bill, with instructions for a report with the caucus amendments, they found themselves in a minority and began maneuvering to prevent a vote on Senator Clarke's original motion to recommit without instructions.

A hurried conference of administration Democrats agreed that Senator Stone should begin a speech. How long he would talk was not decided.

Meanwhile the Democrats learned that Senator Kenyon was committed to vote for an unamended motion to recommit, and that the Democrats were counting on his vote.

Senator Stone paid his respects in caustic terms to the seven Democrats who voted with the Republicans Monday and placed the bill in its present position, characterizing them as the "seven conspirators."

Senators O'Gorman and Vardaman were on their feet at once with demands that Senator Stone be called to order for having impugned the motives of senators in violation of the rules.

The latter said he apologized, and proceeded. "I think I am within my rights," Senator Stone resumed, "that there are among us Democrats who, by courtesy, if not by right, still are permitted to occupy this side of the chamber. Like Brutus, they are all most honorable men, but it is a fact that these Democrats, unbeknown to us, conferred with the enemy and confided to them our plans."

### Spring Surprise.

"I am within my rights when I say that these Democrats marched in here the other day and sprang a complete and hostile surprise on all their colleagues on this side of the chamber. Republican senators had been served with notice of what was coming. These Democrats and the Republicans were acting in concert. I congratulate our friends, the enemy, on the coup they made. You did upset us. You did get us in a tight hole and I don't know that we are going to get out of it. It was a fine, a most artistic performance. Again I tender my most flattering compliments to the senators on that side of the chamber."

Senator Stone recalled that Senator Clarke, the leader of the revolt, had been re-elected president pro tempore of the senate by the same organization which had decreed the shipping bill as a party measure.

"I desired that honor," Senator Stone declared, waving his hand toward the Arkansas senator. "It was not thrust upon him."

It was apparent that a serious breach in the Democratic ranks had come and confusion throughout the chamber followed Stone's personal reference to Clarke. When it subsided, Mr. Stone continued:

"Trying to Unhorse Party. "We gratified the ambition of the senator from Arkansas by electing him to this high office and now before the congress expires which elected him to preside, he is here leader of a performance intended to unhorse the Democratic party."

Senator Clarke by that time had risen and asked recognition. Senator Stone, with a wave of his arms yielded.

The Arkansas senator insisted he had never violated a caucus pledge.

While Senator Stone continued to arraign the bolting Democrats, administration leaders worked desperately to improve the prospects of the bill.

Robertson's Store has been ordered transferred to another point

in this state. Not that this store has not been appreciated in Maryville but the owner has placed it where it is more needed and closer to his other stores. To show our appreciation to those who have been loyal to this store, we will offer a cut price sale to reduce stock before moving.

N. A. Robertson, who has been managing this branch store, regrets very much the change as he has made many friends and good customers here.

Every price will be posted in the store and prices will be strictly followed. Nothing will be reserved. We must turn part of this stock before we move it. You can use our goods at these prices—we need the money.

## ONLY ONE "BEST."

Maryville People Give Credit Where Credit is Due.

People of Maryville who suffer with weak kidneys and bad backs want a kidney remedy that can be depended upon. Doan's Kidney Pills is a medicine for the kidneys only, and one that is backed by willing testimony of Maryville people. Here's a case:

Mrs. R. Snyder, 1108 East Third street, Maryville, says: "My kidneys bothered me for quite awhile, and I had a dull pain across my back. I felt tired all the time and couldn't rest well. After using a few boxes of Doan's Kidney Pills I got great relief. My health has been better since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Snyder had. Foster-Milburn Co., Props., Buffalo, N. Y.

## VILLA PROCLAIMS HIMSELF DICTATOR

Issues Manifesto Declaring He Assumes Charge of Presidency.

El Paso, Tex., Feb. 4.—Francisco Villa has proclaimed himself in charge of the presidency of Mexico. This was announced in a telegram from General Villa received by his agents here. Villa appointed three ministers to take charge of the civil government.

Villa gave as his reason for assuming the office that his forces had been separated from the convention government, headed by Roque Gonzalez Garza as provisional president, who left with the Zapata forces, when they departed south from Mexico City at its occupation recently by Obregon's Carranza troops.

## SHIP TRUST SUIT DISMISSED

Combine Practically Dissolved as Result of European War.

New York, Feb. 4.—The government's anti-trust suits against the Prince line, the Hamburg-American line, the Lamport & Holt line and others, charging restraint of trade in connection with freight and passenger steamship rates between American ports and Brazil, and against the American Asiatic Steamship company and others, whose steamships ply between New York and Asiatic ports, were dismissed.

In dismissing the petition against the Prince line and its co-defendants, which include a British line and two German lines, Judge Lacombe asserts that the combination complained of has been practically dissolved as a result of the European war.

## Carranza Troops Again Routed.

El Paso, Tex., Feb. 4.—Following their defeat at San Luis Potosi, the Carranza troops again were routed south of that place, according to official Villa advices received here. It was stated that the Villa column, under General Bando, utterly routed the retreating Carranza forces of General Benavides, capturing all their artillery and supply trains and many prisoners.

## Kansas City Grocer Buys Gold Brick

Kansas City, Feb. 4.—A "gold brick" is reposing in the Kansas City police station for the first time in thirty years. The brick was sold to Frank Caramusa, an Italian grocer, who bought a half interest in it for \$2,000, of which he paid \$500 in cash. Two men and a woman were arrested a few hours after Caramusa turned over his purchase to the police.

## HINDENBURG IS NEARER WARSAW

Germans Continue Attacks on  
Russians, Making Slight Gain.

## THEIR LOSSES TREMENDOUS

Should First Barrier Be Broken Through, Second One of Great Strength Remains—Western Zone Is Generally Quiet.

## WAR SUMMARY

Heavy fighting is in progress in the eastern war zone. The Teutonic allies captured 1,000 prisoners in a struggle for important heights which were stubbornly defended, but which finally the Russians yielded.

German attacks and repulses are reported in the west.

Turks were repulsed twice by British forces on the Suez canal near Tossoum, thirty-five miles north of Suez, where they attempted to throw a bridge across the waterway, and near El Kantara.

A German aeroplane which flew over Swiss territory was fired upon by Swiss infantrymen, according to reports reaching Basel.

London, Feb. 4.—The strenuous fighting in the east monopolizes attention, comparative quiet prevailing on the western front.

While the Russians are on the offensive in East Prussia, in northwestern Poland and the passes of the Carpathians, the Germans continue their attacks on the Russian lines along the Bzura and Rawka rivers. The invaders reached the Rawka line about the middle of December and since that time have made at least half a dozen attacks in force against the Russian trenches, each time at undoubted heavy cost.

Nothing daunted, however, they have been repeating the attacks during the last week, and while they have made a slight advance it has been accomplished only after further great losses, according to the reports from Petrograd.

Now it is believed the Germans are preparing for still another onslaught for only by compelling the Russians to strengthen their lines protecting Warsaw can they hope to divert the Russian attacks from East Prussia and Hungary.

Should the Germans break through this barrier there is another line of entrenchments half way between the Bzura and Warsaw, with Blonie as the center, which would have to be forced before the Polish capital fell.

In the Carpathians the Austrians and Germans are offering vigorous resistance to the Russians, and a decision has not been reached in the battle which has been in progress there for some days.

The statement in the Russian report that there has been fighting to the southeast of Uzsok pass, in the interior of Dukla pass, and to the southeast of Beskid pass, indicates the extent of the struggle for the possession of these important strategic points.

## HAS DEVICE TO END WRECKS

Automatic Train Stop and Control Has Been Perfected.

Washington, Feb. 4.—The interstate commerce commission has filed with the senate committee on interstate commerce a report from its division of safety, stating that there has been perfected an automatic train stop and control which will prevent train collisions, even when the block signal system fails to work. An automatic train stop and control which would work has been sought for many years.

## Prof. Tournier Is Killed in Battle.

San Francisco, Feb. 4.—Alfred Tournier, former professor of viticulture of the University of California, was killed while fighting for France, according to a letter received here by his family from Arsene Tournier, brother of the slain man, and his comrade at arms, in the trenches of Picardy.

## Agree on Corri For Referee.

Kansas City, Feb. 4.—Eugene Corri, official referee of the Sporting Club of London, has been agreed upon as referee for the fight between Jack Johnson and Jess Willard at Juarez, Mex., March 6, according to an announcement made here by the promoter of the fight. A cablegram was sent to Corri asking his acceptance.

## Woman Falls Across Wood Saw.

## Send Her Flowers

For St. Valentines Day February 14th. Sweet Peas, Violets, Red Roses and Red Carnations are the most appropriate for this occasion and we want to also mention our special Valentine Boxes, which makes Engelmann's Valentines of Flowers indeed the most appropriate Valentine that you can send sweetheart, mother, wife or friend. Phone and Mail orders receive special attention
